

Enhancing Natural Resource Conservation for Sustainable Development

Lead Guest Editor: Mufedei Mohammed

Affiliation: Department of Natural Resource Management, Oda Bultum University, Chiro, Ethiopia

Position:

Research Interests:

American Journal of Environmental Protection (<http://www.ajep.org>) is really excited to announce the new special issue *Enhancing Natural Resource Conservation for Sustainable Development* (<http://www.ajep.org/sinfo/163017>). This Special Issue represents an effort to capture current developments in Sustainable Development. Novel insights as well as fundamental research and analysis around the topics are welcomed. We are eagerly looking forward to seeing various authors' submissions along with their ingenious works.

Call for Paper

Potential authors are humbly requested to submit an electronic copy of their complete manuscript by

<http://www.ajep.org/submission>

Submission Deadline	Nov. 10, 2019
Publication Deadline	Jan. 10, 2020

Topics of Interest include (but not limited to):

- ♦ Bio diversity conservation
- ♦ Soil mapping and classification
- ♦ Climate change mitigation, adaptation, modeling and risk management
- ♦ Integrated watershed management
- ♦ Land tenure and land administration
- ♦ Renewable energy development
- ♦ Environmental protection, pollution and waste management
- ♦ Forest resource development, management and utilization
