

Special Issue on

The Implementation of Artificial Intelligence by Computer Assistance on Industrial and Manufacturing Systems Engineering

Call For Papers

A new Special Issue *The Implementation of Artificial Intelligence by Computer Assistance on Industrial and Manufacturing Systems Engineering* (<http://ijimse.org/sinfo/210001>) has been launched in *International Journal of Industrial and Manufacturing Systems Engineering* (<http://www.ijimse.org>). This Special Issue intends to collect research achievements concerning Artificial Intelligence & Manufacturing Systems. Novel insights as well as fundamental research on the topics are warmly welcomed. Your submissions along with your ingenious works are expected.

Lead Guest Editor

Lead Guest Editor: Editor: Bloul Benattia

Affiliation: Hydrocarbon Transportation Department, University M'hammed Bougara of Boumerdes, Boumerdes, Algeria

Paper Submission

Potential authors are humbly requested to submit an electronic copy of their complete manuscript via <http://ijimse.org/submission>

Topics of Interest Include (but not limited to):

- ◆ Dimensional metrology
- ◆ Geometric surface treatment
- ◆ Applied biomechanics
- ◆ Computer aided design and edge computing for sensors
- ◆ CNC machine tools and machinery artificial intelligence
- ◆ Measurement and advanced artificial intelligence

Important Dates

Submission Deadline: **Mar. 30, 2020**

Publication Deadline: **May 30, 2020**

Join as Guest Editor

For scholars who have intention to join the special issue as guest editor, please check out the link below:
