

# Special Issue on New Frontiers in Phytochemistry

## Call For Papers

A new Special Issue *New Frontiers in Phytochemistry* (<http://www.jplantsciences.org/sinfo/215022>) has been launched in *Journal of Plant Sciences* (<http://www.jplantsciences.org>). This Special Issue intends to collect research achievements concerning Phytochemistry. Novel insights as well as fundamental research on the topics are warmly welcomed. Your submissions along with your ingenious works are expected.

### Lead Guest Editor

Lead Guest Editor: Mity Thambi

Affiliation: Department of Chemistry, Baselius College, Kottayam, Kerala, India

### Paper Submission

Potential authors are humbly requested to submit an electronic copy of their complete manuscript via <http://www.jplantsciences.org/submission>

### Topics of Interest Include (but not limited to):

- ◆ Biological studies – Antimicrobial, Antifungal, Pesticidal activity, Anticancer studies, Anti-tuberculosis, Anti-inflammatory etc
- ◆ Compound separation by different chromatographic methods
- ◆ Structure elucidation using various spectroscopic techniques
- ◆ Plant Identification
- ◆ Plant collection
- ◆ Extraction using various solvents
- ◆ Structural modification

### Important Dates

Submission Deadline: **Sep. 10, 2020**

Publication Deadline: **Nov. 10, 2020**

### Join as Guest Editor

For scholars who have intention to join the special issue as guest editor, please check out the link below:
