

Special Issue on Urban Planning, Outdoor Comfort and Physical Activity

Call For Papers

A new Special Issue *Urban Planning, Outdoor Comfort and Physical Activity* (<http://urpjournal.org/sinfo/242001>) has been launched in *Urban and Regional Planning* (<http://www.urpjournal.org>). This Special Issue intends to collect research achievements concerning Urban Architecture. Novel insights as well as fundamental research on the topics are warmly welcomed. Your submissions along with your ingenious works are expected.

Lead Guest Editor

Lead Guest Editor: Nassima Mouada

Affiliation: Architecture Department, University of Biskra, Biskra, Algeria

Paper Submission

Potential authors are humbly requested to submit an electronic copy of their complete manuscript via <http://urpjournal.org/submission>

Topics of Interest Include (but not limited to):

- ◆ Develop better understanding of the relationship between urban morphology, microclimate and physical activity
- ◆ Understanding the activity of walking in the urban environment and trying to analyze the different aspects in which the built environment influences walking behavior and make one space more inviting and walkable than another
- ◆ Create guidelines for achieving the model of sustainable city
- ◆ Evaluating the physical parameters of urban morphology that may influence people's subjective perception
- ◆ Support urban design knowledge and contribute to the larger field of "walkability" by refining the methods used to study the relation between walking behavior and physical environment
- ◆ Resolve the problem of climate modification

Important Dates

Submission Deadline: **Jun. 25, 2020**

Publication Deadline: **Aug. 25, 2020**

Join as Guest Editor

For scholars who have intention to join the special issue as guest editor, please check out the link below:
