

**Special Issue on**

**The Concept of Econophysics and Phynance at a Broader Base**

# Call For Papers

A new Special Issue *The Concept of Econophysics and Phynance at a Broader Base* (<http://www.ijmathphy.org/sinfo/322005>) has been launched in *International Journal of Applied Mathematics and Theoretical Physics* (<http://www.ijmathphy.org>). This Special Issue intends to collect research achievements concerning Econophysics and Phynance. Novel insights as well as fundamental research on the topics are warmly welcomed. Your submissions along with your ingenious works are expected.

## Lead Guest Editor

Lead Guest Editor: Leonard Mushunje

Affiliation: Department of Applied Mathematics, Midlands state university, Gweru, Midlands, Zimbabwe

## Paper Submission

Potential authors are humbly requested to submit an electronic copy of their complete manuscript via <http://www.ijmathphy.org/submission>

### Topics of Interest Include (but not limited to):

- ◆ Application of statistical physics to finance
- ◆ To bring the value and role of Quants on clear ground
- ◆ Design and development of new mathematical physics models for income circulation
- ◆ Financial market movement analysis improvement and in-depth analysis
- ◆ The inter-play of physics, mathematics, statistics and finance, so called phynance
- ◆ Application of physics models to economics

### Important Dates

Submission Deadline: **Jan. 12, 2020**

Publication Deadline: **Mar. 12, 2020**

## Join as Guest Editor

For scholars who have intention to join the special issue as guest editor, please check out the link below:
