

Special Issue on Power Electronic & Drive System Applications

Call For Papers

A new Special Issue *Power Electronic & Drive System Applications* (<http://www.ijecec.org/sinfo/332004>) has been launched in *International Journal of Electrical Components and Energy Conversion* (<http://www.ijecec.org>). This Special Issue intends to collect research achievements concerning Power Electronic & Drive System Applications. Novel insights as well as fundamental research on the topics are warmly welcomed. Your submissions along with your ingenious works are expected.

Lead Guest Editor

Lead Guest Editor: Bidyut Mahato

Affiliation: Electrical Engineering, IIT (ISM), Dhanbad, India

Paper Submission

Potential authors are humbly requested to submit an electronic copy of their complete manuscript via <http://www.ijecec.org/submission>

Topics of Interest Include (but not limited to):

- ◆ Modeling & Simulation of Power Electronic & Drives systems
- ◆ Novel architectures: multiphase converters, multilevel converters, modular converters, etc
- ◆ Power electronics converters
- ◆ Innovative topologies: soft-switching techniques, resonant converters, switch-capacitor converters and hybrid switched-capacitor converters
- ◆ Fault ride through for Renewable Energy Systems
- ◆ PV converters & integration techniques for grid connected systems
- ◆ Power quality related issues for Renewable Energy Systems

Important Dates

Submission Deadline: **Mar. 10, 2020**

Publication Deadline: **May 10, 2020**

Join as Guest Editor

For scholars who have intention to join the special issue as guest editor, please check out the link below:
