

Special Issue on

**Biofortification Strategies to Increase Yield and Grain  
Micronutrients Contents in Wheat**

# Call For Papers

A new Special Issue *Biofortification Strategies to Increase Yield and Grain Micronutrients Contents in Wheat* (<http://www.ijaas.org/sinfo/343006>) has been launched in *International Journal of Applied Agricultural Sciences* (<http://www.ijaas.org>). This Special Issue intends to collect research achievements concerning Biofortification Strategies. Novel insights as well as fundamental research on the topics are warmly welcomed. Your submissions along with your ingenious works are expected.

## Lead Guest Editor

Lead Guest Editor: Majid Abdoli

Affiliation: Department of Plant Production and Genetics, Faculty of Agriculture, University of Maragheh, Maragheh, Iran; Young Researchers and Elite Club, Zanzan Branch, Islamic Azad University, Zanzan, Iran

## Paper Submission

Potential authors are humbly requested to submit an electronic copy of their complete manuscript via <http://www.ijaas.org/submission>

### Topics of Interest Include (but not limited to):

- ◆ Biofortification
- ◆ Grain quality
- ◆ Phytic acid to Zn molar ratio
- ◆ Agronomic and genetic biofortification
- ◆ Zinc deficiency
- ◆ Foliar spray

### Important Dates

Submission Deadline: **Nov. 10, 2019**

Publication Deadline: **Jan. 10, 2020**

## Join as Guest Editor

For scholars who have intention to join the special issue as guest editor, please check out the link below:
