

# Special Issue on Soil, irrigation and Water Management

## Call For Papers

A new Special Issue *Soil, irrigation and Water Management* (<http://www.ajwse.org/sinfo/369005>) has been launched in *American Journal of Water Science and Engineering* (<http://www.ajwse.org>). This Special Issue intends to collect research achievements concerning Water Management. Novel insights as well as fundamental research on the topics are warmly welcomed. Your submissions along with your ingenious works are expected.

### Lead Guest Editor

Lead Guest Editor: Tasisa Temesgen

Affiliation: Department of Natural Resources Management, Haramaya University, Harar, Ethiopia

### Paper Submission

Potential authors are humbly requested to submit an electronic copy of their complete manuscript via <http://www.ajwse.org/submission>

### Topics of Interest Include (but not limited to):

- ◆ Water productivity: level of water application, crop type, growth stage, crop coefficient
- ◆ Irrigation : Crop water requirements, Irrigation scheduling, Soil structure affected amendment
- ◆ Water potential: Irrigable land, Land suitability, Surface Irrigation potential
- ◆ Soil properties: Physical and chemical properties of soil
- ◆ Irrigation management: mulches, deficit irrigation, water use efficiency, drip irrigation
- ◆ Fertilizer application: level of fertilizer, soil fertility

### Important Dates

Submission Deadline: **Jun. 10, 2020**

Publication Deadline: **Aug. 10, 2020**

### Join as Guest Editor

For scholars who have intention to join the special issue as guest editor, please check out the link below:
