

# Special Issue on Efficient Conversion and Utilization of Coal

## Call For Papers

A new Special Issue *Efficient Conversion and Utilization of Coal* (<http://www.ijmpem.org/sinfo/371002>) has been launched in *International Journal of Mineral Processing and Extractive Metallurgy* (<http://www.ijmpem.org>). This Special Issue intends to collect research achievements concerning Coal Engineering. Novel insights as well as fundamental research on the topics are warmly welcomed. Your submissions along with your ingenious works are expected.

### Lead Guest Editor

Lead Guest Editor: Qili Wang

Affiliation: China University of Mining and Technology, Xuzhou, China

### Paper Submission

Potential authors are humbly requested to submit an electronic copy of their complete manuscript via <http://www.ijmpem.org/submission>

### Topics of Interest Include (but not limited to):

- ◆ Green coal processing
- ◆ Coal based materials
- ◆ Efficient utilization of coal
- ◆ Coal clean conversion
- ◆ Coal clean application
- ◆ High value-added coal products

### Important Dates

Submission Deadline: **Dec. 10, 2019**

Publication Deadline: **Feb. 10, 2020**

### Join as Guest Editor

For scholars who have intention to join the special issue as guest editor, please check out the link below:
