

Special Issue on

Marine Bio-Polymer: Bio-Activity, Extraction and Application

Call For Papers

A new Special Issue *Marine Bio-Polymer: Bio-Activity, Extraction and Application* (<http://www.wjfst.org/sinfo/540004>) has been launched in *World Journal of Food Science and Technology* (<http://www.wjfst.org>). This Special Issue intends to collect research achievements concerning Marine Bio-polymer. Novel insights as well as fundamental research on the topics are warmly welcomed. Your submissions along with your ingenious works are expected.

Lead Guest Editor

Lead Guest Editor: Dang Xuan Cuong

Affiliation: Organic Material from Marine Resources, Nha Trang Institute of Technology Application and Research, Vietnam Academy of Science and Technology, Hanoi, Vietnam

Paper Submission

Potential authors are humbly requested to submit an electronic copy of their complete manuscript via <http://www.wjfst.org/submission>

Topics of Interest Include (but not limited to):

- ◆ Rheology and chemical properties
- ◆ Extraction and optimization
- ◆ Marine biological polymer in processing and storage
- ◆ Biological activities and application
- ◆ Biological membrane
- ◆ Purification and structure

Important Dates

Submission Deadline: **Mar. 10, 2020**

Publication Deadline: **May 10, 2020**

Join as Guest Editor

For scholars who have intention to join the special issue as guest editor, please check out the link below:
