

# Special Issue on Arthropod Vectors of Medical Importance

## Call For Papers

A new Special Issue *Arthropod Vectors of Medical Importance* (<http://www.ajentomology.org/sinfo/547007>) has been launched in *American Journal of Entomology* (<http://www.ajentomology.org>). This Special Issue intends to collect research achievements concerning Veterinary Entomology. Novel insights as well as fundamental research on the topics are warmly welcomed. Your submissions along with your ingenious works are expected.

### Lead Guest Editor

Lead Guest Editor: Ahmed Tabbabi

Affiliation: Department of Hygiene and Environmental Protection, Ministry of Public Health, Tunis, Tunisia

### Paper Submission

Potential authors are humbly requested to submit an electronic copy of their complete manuscript via <http://www.ajentomology.org/submission>

### Topics of Interest Include (but not limited to):

- ◆ Medical and veterinary entomology
- ◆ New solution for controlling arthropods vectors
- ◆ Pathogen transmission cycle
- ◆ Interaction between vectors and pathogens
- ◆ Vector biology and ecology
- ◆ Invasive vector species
- ◆ Toxicology
- ◆ Molecular biology of arthropod vectors
- ◆ Insect physiology and biochemistry
- ◆ Behaviour of arthropod vectors

### Important Dates

Submission Deadline: **Mar. 30, 2020**

Publication Deadline: **May 30, 2020**

### Join as Guest Editor

For scholars who have intention to join the special issue as guest editor, please check out the link below:
