

# Special Issue on Plasma Based Pollution Control and Syngas Production

## Call For Papers

A new Special Issue *Plasma Based Pollution Control and Syngas Production* (<http://www.jeece.org/sinfo/601002>) has been launched in *Journal of Energy, Environmental & Chemical Engineering* (<http://www.jeece.org>). This Special Issue intends to collect research achievements concerning Energy & Pollution Control. Novel insights as well as fundamental research on the topics are warmly welcomed. Your submissions along with your ingenious works are expected.

### Lead Guest Editor

Lead Guest Editor: Nasser Morgan

Affiliation: Physics Department, Faculty of Science, Al Azhar university, Cairo, Egypt

### Paper Submission

Potential authors are humbly requested to submit an electronic copy of their complete manuscript via <http://www.jeece.org/submission>

### Topics of Interest Include (but not limited to):

- ◆ Nox Reduction
- ◆ Plasma based CO<sub>2</sub> conversion
- ◆ Plasma pollution control
- ◆ Plasma based VOC's reduction
- ◆ Plasma assisted syngas production
- ◆ Plasma assisted hydrogen production

### Important Dates

Submission Deadline: **Dec. 10, 2019**

Publication Deadline: **Feb. 10, 2020**

### Join as Guest Editor

For scholars who have intention to join the special issue as guest editor, please check out the link below:
