

Special Issue on Catalysts, Biomass & Biofuels

Call For Papers

A new Special Issue *Catalysts, Biomass & Biofuels* (<http://www.jeece.org/sinfo/601005>) has been launched in *Journal of Energy, Environmental & Chemical Engineering* (<http://www.jeece.org>). This Special Issue intends to collect research achievements concerning Catalysis. Novel insights as well as fundamental research on the topics are warmly welcomed. Your submissions along with your ingenious works are expected.

Lead Guest Editor

Lead Guest Editor: Dr. Ramya Ganesan

Affiliation: Department of Chemistry, St. Joseph's Institute of Technology, Chennai, India

Papers Submission

Potential authors are humbly requested to submit an electronic copy of their complete manuscript by <http://www.jeece.org/submission>

Topics of Interest Include (but not limited to):

- ♦ Synthesis of novel catalysts and its characterization
- ♦ Greener applications by enzymatic reactions
- ♦ Emerging technologies in catalysis and Nano science
- ♦ Novel catalytic technologies in food waste processing
- ♦ Creating nano materials through catalysis and their greener applications
- ♦ Studies on biofuel production techniques
- ♦ Chemical methods utilizing catalysts to reconstruct the environment
- ♦ Biomass and feedstock utilization of agroindustrial residue

Important Dates

Submission Deadline: **Feb. 20, 2020**

Publication Deadline: **Apr. 20, 2020**

Join as Guest Editor

For scholars who have intention to join the special issue as guest editor, please check out the link below:
