

Special Issue on

Genome Wide Expression Studies in Plant Sciences

Call For Papers

A new Special Issue *Genome Wide Expression Studies in Plant Sciences* (<http://www.ajpb.org/sinfo/612006>) has been launched in *American Journal of Plant Biology* (<http://www.ajpb.org>). This Special Issue intends to collect research achievements concerning Genome Wide Expression Studies. Novel insights as well as fundamental research on the topics are warmly welcomed. Your submissions along with your ingenious works are expected.

Lead Guest Editor

Lead Guest Editor: Rahil Shahzad

Affiliation: Agricultural Biotechnology Research Institute, Ayub Agricultural Research Institute, Faisalabad, Pakistan

Papers Submission

Potential authors are humbly requested to submit an electronic copy of their complete manuscript by <http://www.ajpb.org/submission>

Topics of Interest Include (but not limited to):

- ◆ Genome wide expression studies of different plant related gene families
- ◆ In-silico expression studies of plant related gene families
- ◆ Role of different gene families in Plant Development
- ◆ Putative role of different gene families to overcome abiotic stresses
- ◆ Role of different plant related gene families under biotic stresses

Important Dates

Submission Deadline: **Feb. 20, 2020**

Publication Deadline: **Apr. 20, 2020**

Join as Guest Editor

For scholars who have intention to join the special issue as guest editor, please check out the link below:
